

Dear guest,

We would like to introduce Matthew's beachside restaurant as the perfect place to celebrate your Wedding reception, Rehearsal dinner or any other special event.

If you have special wishes our Chef can create a menu tailored to your needs. Our restaurant can be rented out for private or semi-private dinner events. We can accommodate parties between 25 to 300 guests.

Treat yourself and your companions to a wonderful party surrounded by the Caribbean Sea at one of the most unique locations on the island.

Please feel free to contact us and we will be glad to make your day unforgettable.

Warmest regards,
